

### Detects Moisture & Liquid Level Instantly

**World-class engineering and manufacturing technology combined with premium materials for superior performance.**

**Easy to read wide angle sight glass**

**Compatible with all common HCFC and HFC refrigerants**

**High Precision Color Indicator**

**100% Factory Leak Tested**

### DESIGNED TO PREVENT SURFACE CONTAMINATION

Sanhua's Sight Glasses provide visibility into the state of a system's liquid refrigerant line. Easy to follow green and yellow color indicators alert to dry or wet conditions. When a system has a refrigerant shortage or restriction, the large sight glass allows for easy detection of bubbles. Sanhua Sight Glasses are compatible with all common HCFC and HFC refrigerants and are UL approved to a maximum operating pressure of 667 psig.

**MACHINED WITH HIGH QUALITY C360 ALLOY BRASS FOR HIGH TENSILE STRENGTH**

**BACKED WITH CONFIDENCE - 18 MONTH WARRANTY**
